Dedication

To one who has long deserved the honor, we wish to dedicate this Yearbook. It is but an humble effort to show our appreciation for his many years of hard work and friendship.

Never before has there been anyone who was more worthy than Mr. Charlie Hughes, and we only wish that there were something even greater that we could do to express our heartfelt thanks to him for helping to make Joshua High School a better and more outstanding school.

Gwen,

I wish you the best of luck and I know you are deserving of it.

Linda Sopkin
58-59

Dear Gwen,

Lots of luck and best wishes

Dear Gwen,

I hope you have luck and happiness throughout your lifetime. You ~~have~~ must my luck with the boys. That way you will loose them. I appreciate your kindness through my moments of grief, if you catch what I mean. I hope you get what you want in life. You know what I want and what I can't have. Don't ever fall so hard for a boy that it hurts when he lets you down. It hurts! Not in physical form, but spiritually. When you pick (a boy) someone out, pick one that you know you can have, not one that someone else has. Don't ever pick a guy that another girl throws herself at. It just doesn't work. If you find a boy latch onto him. Someday I may have the one I want. Linda has her mind made up to catch him. He doesn't really care for her. If he did he wouldn't do the way he does. I love that boy and always will. I guess that I am pretty young to think about such things, but I can't help it. Six and ½ years is a long time to love a boy, but I do and you know it. I love you for listening to my problems and helping me out.

Love and Kisses,

Gwen,

You are a very sweet person whom I think a lot of.

Dear Gwen,

You're a real nice girl and lots of luck in everything you do and want to do. I hope you have enjoyed our evenings on the bus like I have. Really I would have kept your secret about you know who if you hadn't told me to tell Barbara because I know why you wanted it quiet.

You can't say I never have come to see you because Barbara E. and I did one Sunday and you were gone.

Remember all of those books we processed this year as librarians, fun but hard work. I guess I won't be librarian next year, you know five subjects. Boy we sure had fun at that party that we didn't have and you better come to the swimming-skating party when school's out too. (Only 9 more days thank goodness)

I wish we could double-date sometimes I'm sure we could a lot of fun.

If you don't like the way this looks you buy me a new fountian pen & train me writing letters.

I don't know your future plans but I hope you have lots of fun and get a real nice guy when you settle down & be a wife for the rest of your life.

Remember the Golden Rule and you'll always be O. K.

Remember this too:

When you get married & your husband gets loss, pick up the broom and show him who's boss. I remember you always.

Dear Gwen,

You're an extra nice girl. I want to wish you lots of luck to come.
